

## **PRESS RELEASE**

### **Nattress releases Big Box Of Tricks for Final Cut Pro**

Ottawa, Canada, 27, February 2007.

Nattress releases “Big Box Of Tricks”, a suite of 74 plugins that give Final Cut Pro editors an imaginative set of creative tools.

The plugins, which include transitions, generators and filters come in eight categories:

- Blurs
- Extra Touches
- FixIT
- Image F/X
- Levels and Curves
- Noise Reduction
- Time Tools
- TV Effects

Big Box of Tricks includes all of Nattress Set 1 and Set 2, which are now discontinued, and a whole lot more!

Big Box of Tricks is available now for \$100 US, with upgrade prices for Set 1 users of \$55, and Set 2 of \$20. Best of all, owners of both Set 1 and Set 2 get Big Box of Tricks totally free! Any user of Set 1 or Set 2 who has not received upgrade information in their email should contact [wendy@nattress.com](mailto:wendy@nattress.com) to arrange for their upgrade.

Full product details and a watermarked demo can be found at:
